Once the junior participants are chosen, the BDSA will forward a link to you to upload your junior golfer profile, and your high resolution digital picture. (Note not all camera phones are set to take the best resolution of a picture; therefore, this method is not recommended). Also any photos taken/downloaded from social media will NOT likely have a high enough resolution for reproduction. We recommend you provide a photograph scanned at least 300 dpi (300 resolution). Important Points to Follow to Complete the BDI Application

1. Please ensure you list only official tournament scores, courses and dates on Part 2 of the application, [if applicable].
2. The objective of providing this information is for the BDI Selection Committee to review your application and determine your skills and talent.
3. It is important to include all of the requested forms and supporting documents with your child's application, due to the aggressive deadline.
 - **For example, immediately order your child's transcript/report card from the school to ensure it arrives at the BDSA office by Friday, April 5, 2019 by 5:00 p.m. PDT.**
 - **Request that the school send the transcript as follows:**

4. When providing your child's (boy) shirt, short size, (girl) shirt and skort size, please indicate their size as it pertains to women or men sizes.
5. If your child requires a junior size indicated junior next to the size to ensure accuracy.
6. **All juniors are required to have an official Handicap Card/ GHIN Number. If your child does not have it, he or she will not be eligible to be considered to play in the 20th Annual BDI Championship. The reason for reinforcing this guideline is as follows:**
 - In accordance with the mission of the BDSA, the purpose of the BDI is to identify college scholarship candidates and provide an internationally recognized and highly competitive venue for **the country's top minority junior golf talent.** Feel free to call the office with questions once you have reviewed the guidelines.
